2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore between the hours of 11 A.M. and 4 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Haradur Tank, Registered No. 484, Hunsar Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Y. ASVATHANARAYANA RAO,
Executive Engineer.

Abstract Notification.

The attention of the public is invited to the notification, dated 14th August 1916 published in extenso on Part IV, page 599 of *Mysore Gazette* No. 33, dated 17th August 1916, calling for tenders for constructing five buildings at Mysore in connection with the University of Mysore.

S. H. LAKSHMINARASAPPA,
Assistant Engineer,
Headquarter Range.

SHIMOGA DIVISION.

Notification dated 5th August 1916.

It is hereby notified that sealed tenders will be received from the Firms whose name has been registered by the Government of Mysore at the Office of the Executive Engineer, Shimoga Division, till 5 P.M. of 8th November 1916, for the supply of the undermentioned articles, to be supplied at the stipulated rates in quantities for which orders may be issued from time to time during the year 1916-17.

4 D.

Rs. 100 is required to be deposited as earnest money.

Samples of the best articles of each class may be supplied while tendering.

The Firms that tender are requested to supply the articles needed within the limits of time noted opposite the kinds of orders, *viz.*:—

(*a*) Orders under Rs. 500 to be filled up and consignments despatched before the evening of the 2nd day of the receipt of the order.

(*b*) Between Rs. 500 and 2,500 before the 7th day after the receipt of the order.

(*c*) Between Rs. 2,500 and 5,000 before the 15th day after the receipt of the order.

(*d*) Above Rs. 5,000 according to the time fixed by mutual agreement though in the case of orders of all the other three classes noted above the time limit fixed may be altered by mutual agreement.

If any Firm does not supply the articles and intimate despatch within the time limit fixed herein or by mutual agreement without further notice, the Public Works Department will purchase the articles required from any other Firm at the risk of the Firm whose tender has been accepted.

Approval of tenders will be intimated by the undersigned.

The approval of tenders and orders based on tenders rests with the Executive Engineer if the value of each order is less than Rs. 5,000 and by the Superintending Engineer if between Rs. 5,000 and Rs. 10,000 and if over Rs. 10,000 by the Chief Engineer.

The articles likely to be needed during the current official year are as noted below.

The quantities noted are approximate and cannot be guaranteed.

The Firm whose tender is approved has to supply whatever quantity is ordered during the year whether more or less.

The names of articles likely to be required during 1916-17 are :—

Cast iron pipes spiget and socket turned and bored ends 9″ dia.	...	100

Abstract Notification dated 10th August 1916.

The attention of the public is invited to advertisement in details published in *Mysore Gazette*, pages 605-606, dated 17th August 1916, calling for tenders for restoring Nagathibelagalu tank, R. No. 139 of Shimoga Taluk.

For June 1916 read June 1917 in line 5 of the detailed notification published on page 605, Part IV of the *Mysore Gazette*, dated 17th August 1916.

V. R. NIJAGAL,
Executive Engineer.

CHITALDRUG DIVISION.

Dated 2nd August 1916.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 1st October 1916, for opening out a fair weather road, from Hanagal to Ulavasankanahalli in the Molakalmuru Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chitaldrug, between the hours of 11 A.M. and 5 P.M., on office days.

3. Tenders should be submitted on printed form, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes as earnest money and be superscribed "Tender for opening out a Fair Weather road from *Hanagal to Ulavasankanhalli* in the Molakalmuru Taluk, Chitaldrug District," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Northern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Estimate of the probable cost of opening out a Fair Weather road from Hanagal to Ulavasankanahalli, in Molakalmuru Taluk, Chitaldrug District.

Serial No.	Items of work	Per	Quantity
	Road work.
